QUESTION / COMMENT	STATE RESPONSE
--------------------	----------------

QUESTION / COMMENT		STATE RESPONSE
1	Question from Amendment Two: Please provide the dollar amount that the current contractor invoiced from Jan.2016 to Dec. 2016.	Amendment Two incorrectly listed the total at \$3,138,476.71. The actual total is approximately \$2,084,000.00.
2	What is GAT as shown at the bottom of the cost proposal worksheet and how is it derived?	GAT is used for internal billing purposes and not calculated in the cost proposal. This has been removed from the cost proposal. A revised cost proposal has been posted to the website below:  <a href="http://tn.gov/generalservices/article/request-for-proposals">http://tn.gov/generalservices/article/request-for-proposals</a>
3	Since the totals are not shown in the protected cost worksheet, how would you prefer for us to provide the cost totals?	Each Respondent is to enter the pricing only in Column F (this is the only column that is not protected). The State will calculate all totals.  The Respondent must also enter their company name, sign, and date in the "Cost Proposal and Scoring Guide" tab of the Cost Proposal spreadsheet.
